American Association Games To-Day. Milwaukee at Indianapolis. Kansas City at Louisville. Minneaplis at Columbus.

St. Paul at Toledo. A time will come before long when the Indianapolis champions will win two or more games coasecutively. The programme arranged for the engagement of the Milwaukee Brewers called for three straight games by Indianapolis, and probably a fourth, but the programme was subject to change, and Milwaukee won yesterday's hard-fought battle by a score of 3 to 2.

All the marginal space on the score books was utilized in making notations of sensational and brilliant plays. The contest was a fast and exciting one from the first inning, and it seemed a shame that Umpire Moran, who officiated on base decisions, should have made such a great mistake in calling Jones out in the first inning when the little Indianapolis left fielder had crossed the base before the ball reached Donahue. The mistake of the umpire counted a great deal in the loss of the game, but there were other things that figured in the general result.

In the first inning the champions held a little informal reception and introduced Pitcher Meredith, of the yellow jacket brigade, to the large crowd. The champlons took very kindly to Meredith's curves, and four singles in the opening inning gave Indianapolis two runs, which were the only two secured by the home team during the contest. Hundreds of fair rooters (it was ladies' day) cheered as the two runs crossed the plate, but they became very melancholy in the latter part of the game when Milwaukee assumed the lead. There were several bright spots, but they became very gloomy when chances came and no runs crossed the plate to the credit of Indian-

FOUR DOUBLE PLAYS. Four double plays figured in the contest, and a dozen brilliant plays made the game interesting. Hogriever made three difficult catches in right, Coulter got under one long fly, and later made a beautiful throw from the field which cut off a runner at third. Fox's one error did not figure in the general result. He played a most seusational game at second, and his stop of Donhue's hard drive toward center in the eighth was one of the prettiest ever witnessed on the local grounds. Kihm's play at first was errorless, while O'Brien and Tamsett did great work in their respective places. The fast work of the entire Mile of the Indianapolis team to secure

enough runs to win.

McPartlin pitched for Indianapolis, and fast fielding prevented Milwaukee's total eing much larger. The visitors were lucky in securing hits at just the proper time to place them in the lead. McPartlin's wild ch in the first inning also helped the Brewers to send their first run around the circuit. He was hit hard in the second ining, but lucky fielding prevented more than one run crossing the plate. After the first inning Meredith was an nigma and the Hoosiers could do nothing with his assortment of shoots and benders. In four of the innings only three men faced im, while in the other innings he was able to retire the side without a man crossng the base. Only two hits were made off im after the first and one came in the third after two were out and one in the

The first two men to face McPartlin proved easy outs. Donahue singled to right and a moment later reached second on a wild pitch. Phyle beat out an infield hit, ding Donahue to third. Phyle was aught off first and while being run down

HOOSIERS TAKE THE LEAD. When Hogriever opened the Indianapolis half with a single to center it looked as if there would be no trouble in chalking up another victory. Fox beat out a bunt and hopes were elevated several notches. Jones attempted a sacrifice and beat the ball to first, but was called out. The two men on bases were advanced. Kihm's long fly to center scored Hogriever and Fox took third third, which Unglaub knocked down and made the throw to first, but Donahue a good game and helped to land a victory. ed the ball, Fox scoring. O'Brien and msett followed with singles, and the bases were filled when Heydon came to bat. The crowd expected him to send a single to the outgarden, but he missed the third strike and the champions had to be content

The Brewers 'ost little time in tying the ore. Wood singled and was doubled at when McPartlin caught Hemphill's bunt fly. Ung. in shipped the sphere to left for three bases and scored on Schlaly's single. Meredith hit safely, but Duneavy flew to Jones.

The two teams fought hard for the lead for the next three innings and in the first of the sixth Milwaukee scored one, which proved to be the winning tally. Dungan went out on a chance to Fox and Donahue beat out a bunt hit. Phyle flew to Hogriever. Wood sent a long single to center on which Donahue completed the circuit, Wood reaching second on the throw to the plate. McPartlin hit Hemphill. Unglaub setired the side by flying out to Hogriever. Other chances were offered both teams during the remaining innings to score, but fast fie'ding prevented either side from getting a tally. Score:

ANDERSON SCHEME ABANDONED.

Park Could Not Be Secured by Watkins for Sunday Games.

The Indianapolis club will not play its Sunday games at Anderson, as announced earlier in the week. Manager Watkins to make arrangements whereby teams scheduled to play in Indianapolis on Sundays could play with the champions at Anderson, but the Anderson park could not be secured. When the owner of the park learned that the association club desired to play in Anderson he placed such a high rental upon it that negotiations were stopped and hope of securing the park abandoned. Manager Watkins stated last evening that it would be better to play double-headers in Indianapolis later in the the Anderson park.

Ford Will Pitch To-Day.

### MEDALS FOR ATHLETES.

George Wildhack Secures His Trophy in the Privacy of the Office.

That "to the victor belongs the spoils' was well illustrated at the Manual Training High School yesterday morning when thirty-four medals were presented to the athletes who so ably defended the school's colors last Saturday afternoon on the muddy field at the fair grounds and won the dual meet with Shortridge by a score of 82 to 53 points. The auditorium was filled and there was an abundance of enthusiaism. Louis Bohnstadt, president of the M. T. H. S. Athletic Association, amid blushes and applause, presented two pretty silver loving cups to the school. One was won by the track team for taking the meet, and the other was given to the relay Short talks were made by Principal

Emmerich and Robert Hall, manager of the track team. Thad Shideler and Alfred Duggan, the heroes of the day, were given rousing receptions when their names were called. A noticeable feature of the meeting was the nonappearance of George Wildhack, who refused a seat by a colored girl at the commencement. He did not attend the meeting to receive his medal, but it was given him in the office. It is said that a crowd of students had prepared to give Wildhack an ovation and he thought t best not to "start anything" and remained away.

Following are the members of the track team to get medals: Thad Shideler, James Quinn, Alfred Duggan, George Steele, Ferd Murr, Grant Johnson, Berg King, Harry Wheeler, George Kothe, Will Scott, Hollie Shideler, Stanley Turner, Will West, Arthur Bates, Jack Cullen, Will Diddel and George Wildhack. The members of the relay team: Alfred Duggan, Hiram Rhodehammel, Will Scott and Will Diddel, each received a gold medal for their work in this race.

Lindsey's Lease Annulled.

Special to the Indianapolis Journal. ANDERSON, Ind., June 10 .- The directors of the Anderson Fair Association this morning annulled the lease of McVay Lindsey for the baseball grounds. Lindsey recently transferred the franchise of his team to Grand Rapids. John Ryan, of this city, asked for the use of the grounds for an independent baseball team, which was granted. The proposition to lease the grounds to the managers of the Indianapolis team for Sunday games was not acted on. The possibility of Indianapolis games here is very much lessened by the decision made to-day. It will be decided now by Mr. Ryan, and the latter has a team of his own, for which he is booking Sunday games.

MIXED IN HIS TROUSERS

Clarence Talbott Couldn't Make Buttons Conform to Tailor's Trademark. At a trial in the city Police Court yesterday morning, Clarence Talbott, 731 Indiana avenue, pleaded not guilty to a charge of stealing a pair of trousers from his former roommate, Frank Hall, several days ago. "Why, dat coon's got my paints on now" whispered Hall to Deputy Prosecutor Holmes a moment later. "Where did you get the trousers you are now wearing?" asked the prosecutor. "Well," said Talbott, "ah has all ma close made at Treat's, an' dat's where these come from." At this point Prosecutor Holmes stepped closer to the negro and exclaimed: "If you got those trousers at Treat's, how does it come that the buttons have the Kahn Tailoring Company's name on them?" "I guess Treat must of borrowed the buttons," said Talbott, but when the balance of the suit to match the pants was presented to the court Talbott gave in and said he had merely borrowed the trousers from his friend for a day or so. Judge Whallon sent him to the workhouse a moment later.

Mr. Lyon Addresses Workingmen. Fifteen hundred workingmen were dressed yesterday morning at the Big Four shops at Brightwood by the Rev. Piatt gave twelve passes and struck out six men, cheered at several points of his address.
